

Dutch Crystallographic Society

Hands-Online Powder Diffraction School 2020

November 24th – 26th, 2020

Virtual school, limited seats available!

REGISTER TODAY

Tutors:

***Amarante J. Böttger, TU Delft,
Material Science & Engineering***

***Lambert van Eijck, TU Delft,
Neutron & Positron Methods for Materials***

***René de Gelder, Radboud University
Solid State Chemistry***

***Huub Kooijman,
Shell Technology Center, Amsterdam***

***Céleste Reiss,
Ex-Application Scientist Malvern Panalytical***
